

Guiding Children's Education During Covid and Beyond

The best ideas are simple and yet profound.

Lee Jenkins Ph.D.

Interview Lee Jenkins and parents will learn the foundation for leading their children's education by making better decisions from Pre-K through grade 12. His stories, practical insights and humor entertain and change lives!

Parents must know what a perfect education is for each of their children. It is the key to good education decisions during and after Covid. Lee Jenkins' mission is two-fold: (1) helping parents with his delightful, fun and inspirational children's books, and (2) assisting schools that desire to move closer to perfect every week, month and year. Lee has 50 years of experience as a teacher, principal, school superintendent and university professor. His speaking career has taken him across the US and to Latin America, Europe and Asia.

STORY IDEAS

- **How one sheet of paper can create a genius parent during Covid**
- **Don't let the Reading Grinch inside your house—how to raise kids who love to read**
- **What toddlers and parents know about learning that they (and schools) forget when kids enter school**
- **A simple solution for turning chore battles and family irritations into a game**
- **Learn how to make education a joyful experience instead of a pain train**
- **There was a time in my life when I thought great teaching was enough for schools—but then I learned what sabotages great teaching and what can be done about it**
- **What should parents do with lousy homework?**
- **Test scores are the wrong way for parents to select schools. What should they look for instead?**

“A perfect education is one where the love of learning students bring with them to kindergarten is maintained for the next 12 years.”

— Lee Jenkins
